

## **Does the Student use their same user account they had last year?**

If possible it is best to use you previous user account.

If needed the Student can register again.

If the Student is a member of a Team Project then make sure the Student uses the newest UserID for their Team Project.

# How to delete Students?

Students cannot be deleted or removed. However you can hide the student by clicking the “Regional Fair” button from “Yes” to “No” (see Bullet #1 below). Selecting “Regional Fair Only” (see Bullet #2 below) will show the Students with “Yes” for “Regional Fair” (see Bullet #1 below).

# How do I enter Team Projects?

The Team Leader will fill out the project information. After selecting project type as "Team" (see Bullet #1 below) then click "Save" (see Bullet #2 below).

The Team Member will need to register to obtain a User ID to enter in the next step. This member does not need to enter any project information.

**NOTE: Team Projects can only have TWO students.**
